• EXPERIENCE

Front-End Development Intern - Viva Air

10/2022-05/2023

- I worked on the development and maintenance of the user interface of Viva Air's web application, ensuring an optimal user experience.
- Effectively resolved front-end related issues, enhancing website stability and performance.
- Acquired skills in JavaScript, Angular, and React, utilizing these technologies to develop new features and functionalities.
- Collaborated closely with the development team to ensure front-end coherence and quality.
- Gained hands-on experience in User Experience (UX) design and User Interface (UI) design using Figma.
